<u>Track The Trackers</u>

Documentation

<u>READ ME</u>

We chose these 5 Trackers :
- Zoom
- Google Analytics
- Facebook
- AliExpress
- LinkedIn

<u>3 websites found to be using each one of these trackers:</u>

Zoom
www.sport5.co.il
www.calcalist.co.il
https://www.geektime.co.il

Google Analytics
www.walla.co.il
www.sport5.co.il
www.one.co.il

Facebook
www.walla.co.il
www.sport5.co.il
www.one.co.il

AliExpress
https://www.daraz.pk
https://www.lazada.co.id
https://www.shop.com.mm

LinkedIn
https://adf.ly
https://10times.com
http://www.jobs.net

<u>How it's works</u>
First, upload the extension folder through Developer mode in Chrome Extensions.
Now, the extension is running on your Chrome browser.
Go to a website you want, after the website finishes loading - press on the extension and see which tracker follows this current website.
You can click on the buttons to see the history of these trackers in the websites you visit.

You can see example on the use on this link
